Rex A. Bastian, Ph.D

Rex joined The Care of Trees in January of 1989 after receiving his Ph.D. from Iowa State University. He is Vice President of Field Education & Development. He is an ISA Board Certified Master Arborist and currently serves on the ISA Board Certified Master Arborist Test Committee.

John Ball, Ph.D

Currently a Professor of Forestry at South Dakota State University. He also serves as the campus arborist. Previous experience includes managing tree care and land-

scape companies in Minnesota, Michigan and Massachusetts. He earned a Ph.D. in urban forestry and M.S. in forest entomology from Michigan State University.

Donald F. Blair

Classically trained in commercial arboriculture, Blair has earned recognition for his innovations in tree equipment design. He was the first arborist to develop training seminars and programs for professionals. He is the author of "Arborist Equipment" as well as dozens of feature articles for Arbor Age and TCI Magazine. Blair is an honorary Life Member of ISA.
